Underwritten by:

Old Republic Insurance Company of Canada

Please read this policy carefully for an understanding of the coverage provided. **You may cancel Your policy within 10 days of the purchase date with a full return of premium provided You have not departed on Your Trip and there is no claim in progress.** This policy is underwritten by Old Republic Insurance Company of Canada, which has appointed Medipac International Inc. (Medipac) to perform certain administrative services, including enrolment and customer service, and Medipac Assistance International Inc. (Medipac Assist) to perform all assistance and claims services. The Company will pay benefits specified subject to the exclusions, limitations, definitions and other provisions of this policy. For an understanding of the exclusions, please refer to "WHAT IS NOT COVERED" and "GENERAL LIMITATIONS". The section titled "THE DEFINITIONS" provides an explanation of the words and phrases shown in italics.

This coverage is available to Canadian residents only and must be purchased prior to the Date of Departure and from within Canada. You must be covered under the Government Health Insurance Plan of the Canadian province or territory in which You reside. Family coverage is available to You (if under age 56), Your Spouse and Your Children. All family members must be named on Your Policy. Children must be accompanied by either You or Your Spouse. A Spouse over age 55 is not covered by a family policy.

This policy covers Reasonable Expenses incurred by You outside Your province or territory of principal residence; that result from a Medical Emergency, including COVID-19, occurring during the period of coverage (as explained below); and that You incur for Medically Necessary Medical Treatment.

This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

This insurance policy is in force only if Medipac has received Your completed application and premium; You have met the policy eligibility criteria; and a policy has been issued.

PERIOD OF COVERAGE

For the **Single Trip Plan**, Your insurance coverage begins at 12:01 a.m. on Your Effective Date of Insurance as set out in Your application for insurance and cannot begin earlier unless You notify Medipac in advance. Your insurance ends on the earlier of: (a) 11:59 p.m. on the scheduled return date set out in Your application for

insurance; (b) the date You return to Canada for any medical reason. Once treatment ends You may apply to Medipac Assist to have Your policy reinstated. To be valid, a policy endorsement is required.

If, during the **Single Trip Plan**, You return to Your province or territory of residence for any other reason and resume travel, this insurance does not provide coverage for any Medical Emergency concerning, relating to, caused by or arising from any medical or physical condition for which You received Medical Attention while in Your province or territory of residence. The number of days You return to Your province or territory of residence cannot be refunded.

If You have purchased the **Annual Add-on** in addition to the **Single Trip Plan**, then for every other Trip:

1. Outside Canada, Your insurance coverage begins at 12:01 a.m. on each day You leave Canada during the 365-day period beginning on Your Effective Date of Insurance. Your coverage ends on the earlier of: (a) 364 days after Your Effective Date of Insurance; (b) the date You return to Canada; (c) 12:01 a.m. 23 days after the date You leave Canada (if You purchased the 23-day Annual Add-on); or (d) 12:01 a.m. 33 days after the date You leave Canada (if You purchased the 33-day Annual Add-on).

2. Within Canada, Your insurance coverage begins at 12:01 a.m. on each day You leave Your Canadian province or territory of principal residence during the 365-day period beginning on Your Effective Date of Insurance. Your coverage ends on the earlier of: (a) 364 days after Your Effective Date of Insurance; (b) the date You return to Your Canadian province or territory of principal residence; or (c) 12:01 a.m. 182 days after the date You leave Your Canadian province or territory of principal residence.

The period of coverage is subject to the automatic extension provision explained in "WHAT HAPPENS TO MY INSURANCE COVERAGE IF I AM HOSPITALIZED AND CANNOT RETURN ON MY SCHEDULED RETURN DATE?"

The insurance coverage must be purchased for the entire duration of Your Trip, unless otherwise expressly stated in this policy.

If You have purchased the Annual Add-on in addition to the Single Trip Plan, You can extend any single Trip during Your policy's 365-day period. When extending Your Annual Add-on, the same coverage type and deductible option MUST apply. Your Annual Add-on cannot be used in combination with Your Single Trip Plan.

THE DEFINITIONS

The following words have specific meanings:

“*Children*” means unmarried dependent sons or

daughters, or grandchildren, who are under the age of 19 and are full-time students; or dependent sons, daughters or grandchildren of any age who are mentally or physically disabled. All *Children* must have been born at least 3 months prior to *Your Effective Date of Insurance* or *Your Trip Start Date*.

“*Company*” means Old Republic Insurance Company of Canada.

“*Covered Expense*” means *Reasonable Expenses* in excess of the Government Health Insurance Plan of the Canadian province or territory in which *You* reside, any other Insurance Plan with the same or similar coverage provided under this policy, or any private or provincial or territorial Auto Insurance Plan for supplies, treatment or services listed in The Benefits section subject to policy limitations.

“*Deductible Amount*” means the amount of *Covered Expenses* that *You* will be responsible for paying. *Covered Expenses* are first paid by *Your* Government Health Insurance Plan; then *Your Deductible Amount* applies before any remaining *Covered Expenses* are paid under this policy. The *Deductible Amount*, if any, applicable to this policy is shown in U.S. dollars on the Policy Validation Label affixed to this policy and applies to each *Trip*. *Your Deductible Amount* must be satisfied in order for *Your* claim to be paid.

“*Effective Date of Insurance*” means for the Single *Trip* Plan, the later of 1) the Date of Departure shown on *Your* application for insurance or 2) the date *You* leave *Your* province or territory of residence. If purchasing the Single *Trip* Plan to top up another medical travel insurance policy, it means the *Effective Date of Insurance* indicated on *Your* application for insurance. For the Annual Add-on (if purchased) it means the date *You* choose *Your* insurance coverage to take effect as indicated on *Your* application for insurance.

“*Hospital*” means an institution which is licensed as a *Hospital* and which:

- (a) is primarily engaged in providing medical, diagnostic and surgical services for the care and treatment of sick or injured persons on an in-patient basis; and
- (b) provides medical care under the supervision of a staff of *Physicians*, with 24-hour-a-day care by registered nurses; and

(c) is not otherwise licensed as a home for the aged, a rest home, health spa, nursing home, convalescent hospital, hospice, palliative care facility, a place for the care and treatment of drug addicts or alcoholics, custodial or educational facility, or any rehabilitation facility.

“*Hospitalized*” and “*Hospitalization*” means confinement in a *Hospital* as defined above.

“*Injury*” means any accidental bodily harm that occurs and results in *Covered Expenses* while this policy is in force. Such *Injury* must be caused solely by external, violent and accidental means, and independent of *Sickness* and of any other cause.

“*Insured*” means a person who is named on the application for insurance, to whom a policy has been issued, and in whose name the required premium has been paid.

“*Medical Attention*”: see Policy Page 6 for details.

“*Medical Emergency*” means a *Sickness* or *Injury* which:

- (a) results in symptoms which occur suddenly and unexpectedly; and
- (b) requires immediate *Physician’s* care to prevent death or serious impairment of *Your* health and/or to relieve acute pain and suffering; and
- (c) occurs outside *Your* Canadian province or territory of principal residence.

“*Medical Treatment*” means any reasonable medical, therapeutic or diagnostic measure, service or supply that is *Medically Necessary* and that is prescribed by a *Physician* in any form, including prescribed medication, reasonable investigative testing, *Hospitalization*, surgery or other prescribed or recommended treatment directly related to a condition, symptom, illness or disease. *Medical Treatment* does not include either: (a) the use of prescribed drugs or medication for a controlled condition, symptom, illness or disease when the dosage, drug or medication remains unchanged; or (b) a check-up where the *Physician* observes no change in a previously noted condition, symptom, illness or disease.

“*Medically Necessary*” in relation to any service, supply or other matter means one which is ordered by a *Physician* and one which the *Company* determines is:

(f) the most appropriate supply or level of service which can be provided on a cost-effective basis (including, but not limited to, in-patient vs. outpatient care, electric vs. manual wheelchair, surgical vs. medical or other types of care).

The fact that the *Insured’s* attending *Physician* prescribes the services or supplies does not automatically mean such services or supplies are *Medically Necessary* and covered by this policy.

“*Physician*” means a medical practitioner (other than the *Insured*, a *Spouse* or relative) who was at the time of treatment licensed to prescribe and administer *Medical Treatment* within the scope of a medical doctor’s licence, or a surgeon who performs surgery within the scope of a surgeon’s licence and whose legal and professional standing within their jurisdiction is equivalent to a doctor of medicine (M.D.) duly licensed to practise in any province or territory of Canada.

“*Pre-Existing Condition*”: see Policy Page 5 for details.

“*Reasonable Expenses*” means expenses which are incurred for *Medical Treatment* at a level usually provided for cases that are of the nature and severity of the *Medical Emergency* being treated.

“*Sickness*” means an illness or disease which results in a *Covered Expense* while this coverage is in force. The *Sickness* must be serious enough for a reasonable person to seek personal *Medical Treatment* from a *Physician*.

“*Spouse*” means a person with whom the *Insured* is cohabiting and who either:

- (a) is legally married to the *Insured*; or

(b) has lived with the *Insured*, in a conjugal relationship, for a period of twelve (12) consecutive months immediately prior to the *Effective Date of Insurance* of this policy and who has been publicly represented as the *Insured's* spouse in the community in which they reside.

“Stable and Controlled” : see Policy Page 6 for details.

“Trip” means the defined period of travel between the time *You* leave home and the date *You* are scheduled to return home.

“Trip Start Date” means the Date of Departure each time *You* leave *Your* province or territory of principal residence during the period of coverage if *You* purchased the Annual Add-on.

“You” and **“Your”** mean the same as *Insured* defined above.

WHAT IS NOT COVERED

UNSTABLE PRE-EXISTING CONDITIONS

This insurance does not provide coverage for **any** *Medical Emergency* concerning, relating to, caused by or arising from any of the following:

1. Any *Pre-Existing Condition* that was not *Stable and Controlled* in the 90 days immediately prior to the *Effective Date of Insurance* or *Your Trip Start Date*. This includes any reaction that results from a change in medication prescribed for such a condition.

“Pre-Existing Condition” means any medical or physical condition, symptom, illness or disease for which *Medical Attention* was received or for which an ordinarily prudent person would have sought *Medical Attention* prior to the *Effective Date of Insurance* or *Your Trip Start Date*.

“Medical Attention” means any medical, therapeutic or diagnostic procedure, service or supply that is prescribed, performed or recommended by a *Physician*, including but not limited to prescribed medication, investigative testing or surgery. *Medical Attention* does not include either the unchanged use of prescribed medication for a medical condition, symptom or problem which is *Stable and Controlled*; or a *Routine Check-up*.

A change in medication does not apply to cholesterol lowering medication or to a change in any other medication from a brand name medication to a generic brand medication (insofar as the dosage is not modified). If *You* are taking Coumadin (warfarin) or insulin and are required to have *Your* blood levels tested on a regular basis and *You* are required to adjust the dosage of *Your* medication only to ensure correct blood levels are maintained, such a change is not considered to be a change in medication, provided *Your* medical condition remains unchanged.

2. Any medical or physical condition, symptom, illness or disease that, in the 12 months prior to *Your Effective Date of Insurance* or *Your Trip Start Date*, required: a) a total of three (3) or more Emergency Room visits, *Hospitalizations*, Day Surgeries or any combination of all three; and/or b) a single *Hospitalization* for more than 48 consecutive hours.

3. Any medical or physical condition, symptom, illness or disease for which treatment and/or investigation(s) was recommended but not received prior to *Your Effective Date of Insurance* or *Your Trip Start Date*.

If *Your* health changes at any time between *Your* Date of Application and *Your Effective Date of Insurance*, *You* must contact Medipac at 1-800-633-4722 right away. A reassessment for *Your* eligibility and rate qualification will be required. Failure to contact Medipac may result in claim denial, or payment of only a portion of the *Covered Expenses*.

Individuals Excluded from Coverage

You cannot be covered by this policy, and all insurance coverage is null and void, and the liability of the *Company* will be limited to return of premium if:

1. Coverage is not purchased for the entire duration of *Your Trip* (unless otherwise expressly stated in this policy).
2. Coverage is applied for while outside Canada (with the exception of post-departure applications for extension of coverage).
3. Any material misrepresentation is made on the application or in connection with any claim for benefits under this policy.

- C. The *Company* reserves the right to return *You* to Canada or to transfer *You* to one of our preferred health care providers. **Refusal to comply with the transfer or the return to Canada renders this policy null and void** as of the date and time of *Your* refusal. After that date and time no expenses will be paid under this insurance policy; for greater clarity, coverage under this policy will cease.

D. There is no insurance coverage if the premium is not received by Medipac due to an N.S.F. cheque or invalid credit card charge.

E. Every action or proceeding against the *Company* or its agents for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act, or other applicable legislation.

F. In no event will a claim be accepted after one year from the date of occurrence.

G. Any fraud, attempted fraud, misrepresentation or non-disclosure of any material fact relating to this insurance or to a claim under this policy renders this policy null and void. If *You* have misstated *Your* age, and such misstatement results in *Your* paying premium which is less than the required premium, this policy will cover only the proportion of *Covered Expenses* that the premium paid bears to the required premium.

H. Where the *Company* has incurred expenses on *Your* behalf for a loss caused by, or that can be attributed to a third party, the *Company* has the right to subrogate any incurred expenses against the third party and/or any other person or entity that may be obligated to indemnify the third party (and/or *You*) or that may be deemed responsible for the loss (“Responsible Party”). The *Company*, at its own expense, has the right to initiate or continue legal proceedings (“Legal Claim”), in *Your* name, against the Responsible Party. *You* must take all reasonable steps to assist the *Company* in advancing the Legal Claim. Where *You* initiate a Legal Claim, or seek compensation for *Your* loss, the *Company's* rights of subrogation must be sufficiently addressed, and the *Company* kept informed of any negotiations. The *Company* has the right to review, approve and/or reject any offer of compensation or settlement. Any funds received by *You* or *Your* representatives, in compensation or settlement for *Your* loss, must first be applied to any expenses incurred by the *Company*, and the *Company* reimbursed accordingly.

I. When the *Company* has made *Hospital* or other medical payments on *Your* behalf, *You* must sign an Authorization Form which authorizes and allows the *Company* to recover such payments from *Your* other insurers and other health plans (including *Your* Government Health Insurance Plan). *You* must assist the *Company* in obtaining such reimbursement. If an

advance has been made for any expense that is not covered by this insurance policy, *You* will be required to reimburse the *Company*.

J. All benefit amounts under this policy are in United States currency unless stated otherwise. If *You* have paid a *Covered Expense* in a currency other than that of United States or Canada, any reimbursements made will be in Canadian currency at the prevailing rate of exchange on the date the service was provided. No sum payable under this policy shall bear interest.

K. This insurance is supplementary health coverage; i.e., this policy covers expenses in excess of those covered under *Your* Government Health Insurance Plan, any Private or Provincial or Territorial Auto Insurance Plan or any other insurance. If *You* have similar out-of-country/province extended health benefits with a lifetime maximum coverage of: (a) \$100,000 CAD or less, the *Company* will not co-ordinate payment with such coverage; or (b) over \$100,000 CAD, the *Company* will co-ordinate payment with such coverage in excess of \$100,000 CAD.

L. For purposes of determining eligibility under the section “Individuals Excluded from Coverage” in the General Limitations of this policy or for determining the validity of a claim, **hospital records, pharmaceutical records and the medical records of *Your* attending Physician(s) (including *Your* Canadian Physician(s)), will be obtained and reviewed by the *Company***. *Your* claim cannot be processed and no benefits will be payable under this policy without the required information.

M. Despite any other provision contained herein, **this policy is subject to the applicable statutory conditions in the Insurance Act**, as applicable in *Your* province or territory of residence, respecting contracts of accident and sickness insurance.

N. The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

O. The *Company* has the right, and *You* shall afford the *Company* the opportunity, to have *You* medically examined by an independent medical professional when and as often as may reasonably be required while benefits are being claimed or paid under this policy. In the event of death, the *Company* has the right to request an autopsy if not prohibited by law.

WHAT HAPPENS TO MY INSURANCE COVERAGE IF I AM HOSPITALIZED AND CANNOT RETURN ON MY SCHEDULED RETURN DATE?

This policy provides an automatic extension of coverage at no additional cost to *You* in each of the following situations:

1. If *You* are in *Hospital* due to *Injury* or *Sickness* on *Your* scheduled return date, insurance coverage will remain in force for the period of time *You* remain in *Hospital*, plus a further period of 72 hours following *Your* discharge from *Hospital*.
2. If *Your* return is delayed beyond *Your* scheduled return date due to the delay of a common carrier in which *You* are scheduled to travel; or, while travelling by automobile, *You* are involved in an accident or a mechanical breakdown, insurance coverage will be extended until *You* return to *Your* point of departure or for 72 hours after the date when the insurance coverage would otherwise have terminated, whichever occurs first.

However, in any event, insurance coverage will not be extended more than twelve (12) consecutive months immediately after the date of *Your Medical Emergency* which was the cause of *Your* delay beyond *Your* scheduled return date.

HOW DO I PRESENT MY CLAIM?

When *You* contact Medipac Assist at the time of *Your Medical Emergency*, we will send *You* a Claim Kit containing everything necessary to submit *Your* claim, including instructions and forms (also available on our website at www.medipac.com). **Forms must be returned to our office within 30 days of receipt.** Failure to provide the required documents in a timely manner will reduce any amount payable under this policy.

POLICY EXTENSIONS

To extend *Your* coverage *You* must call Medipac at 1-800-633-4722 toll-free from the U.S. or Canada, or at (416) 441-7070 from other locations during general office hours. Policy terms, conditions and exclusions will apply during the extension period.

An extension must be applied for at least 5 days prior to the expiry date of *Your* policy (or at least 5 days prior to the date *Your Trip* will end under the Annual Add-on, if applicable).

To apply for an extension of coverage *You* must:

- be in good health and have had no change in *Your* health status between *Your Effective Date of Insurance* and the date of *Your* request for an extension;

- pay a non-refundable administration fee per person, per extension.

Extensions are available in trip length units as published, and the total trip length cannot exceed the maximum number of days allowed by *Your* Government Health Insurance Plan, or 212 days. Extensions are calculated using the price of the new total trip length minus the cost of the original trip length. If extending a *Trip* under the Annual Add-on, the extension is calculated using the price of the new *Trip* total minus the premium paid for the Annual Add-on.

Extension Exclusion:

Policy extensions do not cover, provide services or pay claims for expenses resulting directly or indirectly from any *Sickness* or *Injury* that first manifested, was first diagnosed, or first treated after the *Effective Date of Insurance* or *Trip Start Date* and prior to the date when *Your* application to extend *Your* period of coverage under this insurance was approved.

3. Refund requests must be made in writing from within Canada and can be either mailed or e-mailed. All refund requests must be signed and dated by each individual applicant.
4. Refunds will be made using the same method of payment in which the original transaction was completed.

FULL REFUND less a \$50 Administration Fee per person if prior to the *Effective Date of Insurance* the policy is cancelled for any other reason. Premiums \$50 or less will not be refunded.

IMPORTANT NOTICE – PLEASE READ CAREFULLY

- Travel insurance is designed to cover losses arising from sudden and unforeseeable medical emergencies. It is important that you read and understand your policy before you travel, as your coverage is subject to certain conditions, limitations and exclusions.
- A pre-existing exclusion may apply to medical conditions and/or symptoms that existed prior to your trip. Check to see how this applies in your policy and how it relates to your departure date, date of purchase or effective date.

- Travel insurance requires you to notify your designated assistance company prior to treatment. Your policy may limit benefits should you not contact the assistance company within a specified time period.
