These instructions have been designed for you to simplify the application process. Read these instructions in full before you begin. If you have any questions, please call Medipac for further assistance at 1-888-MEDIPAC (1-888-633-4722).

Before you begin:
 Review your policy carefully prior to your departure; in particular, the “What is Not Covered” and the “General Limitations” sections. Certain exclusions and/or other limitations in benefits are applicable to your coverage.
 The policy contains stability period requirements which are applicable to any new and/or pre-existing medical conditions. If you do not meet the requirements of the stability period clauses, or you are ineligible for coverage, or have a change in health after your date of application and prior to your effective date of insurance, it is important that you call us; coverage may be available through our Individual Underwritten Insurance.
 If you are unclear about any of your medical conditions or medications, consult your doctor.

NOTE: Trips in excess of 183 days are available to residents of all provinces and territories except QC, PEI and NU.

Completing the Application:
 The application must be filled out in full and in pen.
 Your emergency contact should not be the person with whom you are travelling.
 All of the medical questions in sections A, C and D must be answered unless you are under the age of 56 and travelling for less than 41 days. Changes must be initialed.
 An application cannot be processed without specific departure and return dates. If you are unsure of your dates, select the dates and trip length that are closest to your estimated travel time period. When you have finalized your travel plans, call us before your departure date for your free policy change (if your trip length changes, a premium adjustment may be required).
 Your application must be signed by both applicants and dated. Be sure that you read and understand section H. DECLARATION/AUTHORIZATION.

Skipping any of the above steps will require correction and will delay processing of your application.

Helpful reminders:
 You must have a policy number before you leave for your trip.
 If you have any change in health after the date you completed your application and prior to your effective date of insurance, you must call Medipac.
 Prior to seeking medical attention you must call Medipac Assist. Failure to call will result in benefits being limited (see policy wording included). If you are experiencing a medical emergency, call 911 first. As with all travel insurance plans, in the event of a claim, your medical records will be reviewed.
 Plans change prior to your departure date? You must call Medipac to have your dates of travel changed. Your insurance cannot begin earlier than your effective date unless you notify Medipac in advance.
 Already on vacation and want to stay longer? Call Medipac before your insurance ends to extend your policy (see policy extension wording included).
 Need to cancel or coming home early? See policy refund wording included.

CHECKLIST

Before you submit your application, ensure that:
☐ All medical questions have been answered and any changes made to the application have been initialed by the individual applying for insurance.
☐ You have indicated your departure and return dates, trip length and deductible.
☐ Each applicant has signed and dated section H with the date the application was actually signed.
☐ Your payment is included.

To Pay In Full:
 To pay in full, include a cheque payable to Medipac Travel Insurance or complete the credit card information in section I.

To Pay in 2 Equal Instalments (only available with payment by cheque for trips of more than 40 days):
 To take advantage of the 2-instalment option, include one cheque marked VOID (post-dated cheques are not required).
 The first of your 2 payments will be collected on the date your application is processed. The balance of your premium will be collected one month following that date.

IMPORTANT NOTICE: This application must be completed, dated and signed in Canada prior to departure.

I certify that all answers and information provided by me in this application are complete and accurate. I further understand that Old Republic Insurance Company of Canada (Company) will rely on the information I provide, and where it is determined that the information is misleading, contrary to my medical records and/or not accurate, my policy will be deemed NULL and VOID. If I do not date this application, then the date on which Medipac receives this completed application will be considered as the date signed.

I acknowledge that the information collected on this application for insurance is required for the purposes of considering and, if approved, processing my application for travel emergency medical insurance and for administering the insurance, including but not limited to: administration and investigation of claims; determination of the validity of, and any duplication of, coverage; and the applicability of any exclusions which may extinguish or limit the right to insurance benefits. I authorize the period of 12 months from the date of my notice of claim as the period of access to, and disclosure of, my individually identifiable health information in accordance with the Canadian PIPEDA (Personal Information Protection and Electronic Documents Act) and U.S. HIPAA (Health Insurance Portability and Accountability Act) Privacy Practices. A photocopy of this authorization shall be as valid as the original.

I hereby acknowledge that I have read and understand the policy. I further acknowledge that the policy will exclude certain pre-existing conditions that were not stable and controlled during the 90 days immediately prior to my requested effective date of insurance (or any departure date under the Annual Add-on), including any reaction to a change in medication; or which required a total of three (3) or more emergency room visits, hospitalizations, day surgeries or any combination of all three; and/or a single hospitalization for more than 48 consecutive hours, in the 12 months prior to that date. Annual Add-on

Medipac offers two great options for frequent travellers: a 23-day Annual Add-on and a 33-day Annual Add-on.

Save time and money with Medipac’s Annual Add-on Options

When you purchase a single trip policy, you can save time when you upgrade your policy with Medipac's Annual Add-on; apply for your travel insurance once and cover all of the short trips you take during the year.

When you purchase the Annual Add-on, you will also save money! An Annual Add-on will give you the freedom to take an unlimited number of trips outside Canada for one low price. Depending on which Annual Add-on you choose, you can take an unlimited number of trips 23 or 33 days in length outside Canada, and trips up to 182 days in length within Canada, outside of your home province.

Need Separate Annual Coverage?

To get your 23-day or 33-day annual plan, simply buy either a 22-24 day or a 31-33 day Medipac Travel Insurance Plan, add the Annual Add-on rate and indicate the date on which you wish your annual coverage to begin. It’s that simple!

To purchase a 23-day Annual Add-on you must buy a minimum 22-24 day single trip plan.

To purchase a 33-day Annual Add-on you must buy a minimum 31-33 day plan.

Did You Know that our provincial health insurance plans DO NOT COVER many emergency expenses incurred in Canada (outside your province of residence), such as medication, ambulance, paramedical services or air evacuations? Medipac does! Your Medipac policy also covers additional non-medical costs for all of your trips, including return of your vehicle, bringing a family member to your bedside, out-of-pocket expenses and emergency dental expenses.

Convenient Features

- You can choose to have your Annual Add-on begin at any time between your purchase date and your Effective Date.
- Extensions and top-ups are available for trips under your Annual Add-on.
- You are not required to notify Medipac before you depart on any short trip covered under your Annual Add-on. You are, however, required to provide proof of your trip start date, in the event of a claim.

Please remember that the Pre-Existing Condition clauses apply prior to each and every trip (see Pre-Existing Conditions).

Annual Add-on rates can be found on all rate tables. The Annual Add-on can be used alone, extended or topped up for every other trip but cannot be used in combination with the Single Trip with which it is purchased.

The premium for the Annual Add-on cannot be refunded once coverage begins.

MEDIPAC PLUS

NINE GREAT FEATURES! ONE LOW PRICE!

For the last few years clients have saved thousands of dollars by protecting their Claim-Free Discount when they upgraded to the MedipacPLUS plan for only $59.

Many Medipac clients have already earned up to a 10% Claim-Free Discount; with the MedipacPLUS plan, that valuable discount can be protected in the event of a claim. Without MedipacPLUS, should you experience a claim, your discount will be reduced significantly.

Why take the chance? Upgrade to our MedipacPLUS plan!

Claim-Free Discount Protection

MedipacPLUS protects your Claim-Free Discount by forgiving the first claim that causes you to exceed your deductible during your trip – a small price to pay to extend your savings year after year.

Medical Evacuation Benefit

MedipacPLUS pays you $100 CAD per day to a maximum of 10 days, if Medipac returns you to Canada for medical reasons and you are hospitalized within three days of your return to Canada.

$5,000 Accidental Death Insurance

MedipacPLUS includes a $5,000 CAD death benefit that will be paid to your estate if you die as a result of accidental injury while you are on your MedipacPLUS-insured trip.

Pet Benefit

WHAT SHOULD I DO IN A MEDICAL EMERGENCY?
You MUST notify Medipac Assist PRIOR to seeking Medical Treatment.
1-800-813-9374 (U.S. and Canada)
416-441-6337 (collect or direct from all other locations).
Failure to call Medipac Assist will result in reimbursement of only 75% of all eligible Covered Expenses to a maximum of $25,000 USD

PERIOD OF COVERAGE
For the Single Trip Plan, your insurance coverage begins at 12:01 a.m. on Your Effective Date of Insurance as set out in Your Application for insurance and cannot begin earlier unless You notify Medipac in advance. Your insurance ends on the earlier of: (a) 11:59 p.m. on the scheduled return date set out in Your Application for insurance; (b) the date You return to Canada for any medical reason. Once treatment ends You may apply to Medipac Assist to have Your policy reinstated. To be valid, a policy endorsement is required.

If, during the Single Trip Plan, You return to Your province or territory of residence for any other reason and resume travel, this insurance does not provide coverage for any Medical Emergency concerning, relating to, caused by or arising from any medical or physical condition for which You received Medical Attention while in Your province or territory of residence. The number of days You return to Your province or territory of residence cannot be refunded.

If You have purchased the Annual Add-on in addition to the Single Trip Plan, then for every other Trip:
1. Outside Canada, Your insurance coverage begins at 12:01 a.m. on each day You leave Canada during the 365-day period beginning on Your Effective Date of Insurance. Your coverage ends on the earlier of: (a) 364 days after Your Effective Date of Insurance; (b) the date You return to Canada; (c) 12:01 a.m. 23 days after the date You leave Canada (if You purchased the 23-day Annual Add-on); or (d) 12:01 a.m. 33 days after the date You leave Canada (if You purchased the 33-day Annual Add-on).

2. Within Canada, Your insurance coverage begins at 12:01 a.m. on each day You leave Your Canadian province or territory of principal residence during the 365-day period beginning on Your Effective Date of Insurance. Your coverage ends on the earlier of: (a) 364 days after Your Effective Date of Insurance; (b) the date You return to Your Canadian province or territory of principal residence; or (c) 12:01 a.m. 182 days after the date You leave Your Canadian province or territory of principal residence.

The period of coverage is subject to the automatic extension provision explained in “WHAT HAPPENS TO MY INSURANCE COVERAGE IF I AM HOSPITALIZED AND CANNOT RETURN ON MY SCHEDULED RETURN DATE?”

The insurance coverage must be purchased for the entire duration of Your Trip, unless otherwise expressly stated in this policy.

If You have purchased the Annual Add-on in addition to the Single Trip Plan, You can extend any single Trip during Your policy’s 365-day period. When extending Your Annual Add-on, the same coverage type and deductible option MUST apply. Your Annual Add-on cannot be used in combination with Your Single Trip Plan.

WHAT IS NOT COVERED
PRE-EXISTING CONDITIONS
This insurance does not provide coverage for any Medical Emergency concerning, relating to, caused by or arising from any of the following:

1. Any Pre-Existing Condition that was not Stable and Controlled in the 90 days immediately prior to the Effective Date of Insurance or Your Trip Start Date. This includes any reaction that results from a change in medication prescribed for such a condition.

“Pre-Existing Condition” means any medical or physical condition, symptom, illness or disease for which Medical Attention was received or for which an ordinarily prudent person would have sought Medical Attention prior to the Effective Date of Insurance or Your Trip Start Date.

“Stable and Controlled” means:
(a) the medical or physical condition, symptom, illness or disease did not first manifest itself; and/or
(b) the medical or physical condition, symptom, illness or disease was not first investigated; and/or
(c) the medical or physical condition, symptom, illness or disease has not worsened; and/or
(d) no change in any medication or its usage or dosage occurred, was prescribed and/or recommended by a Physician; and/or
(e) no Medical Attention was received, prescribed or recommended by a Physician.

“Medical Attention” means any medical, therapeutic or diagnostic procedure, service or supply that is prescribed, performed or recommended by a Physician, including but not limited to prescribed medication, investigative testing and surgery. Medical Attention does not include either the unchanged use of prescribed medication for a medical condition, symptom or problem which is Stable and Controlled; or a Routine Check-up.

A change in medication does not apply to cholesterol lowering medication or to a change in any other medication from a brand name medication to a generic brand medication (insofar as the dosage is not modified). If You are taking Coumadin (warfarin) or insulin and are required to have Your blood levels tested on a regular basis and You are required to adjust the dosage of Your medication only to ensure correct blood levels are maintained, such a change is not considered to be a change in medication, provided Your medical condition remains unchanged.

2. Any medical or physical condition, symptom, illness or disease that, in the 12 months prior to Your Effective Date of Insurance or Your Trip Start Date, required: a) a total of three (3) or more Emergency Room visits, Hospitalizations, Day Surgeries or any combination of all three; and/or b) a single Hospitalization for more than 48 consecutive hours.

3. Any medical or physical condition, symptom, illness or disease for which treatment and/or investigation(s) was recommended but not received prior to Your Effective Date of Insurance or Your Trip Start Date.

15. The commission or attempted commission of any criminal act by You.

Any treatment, services or supplies not Medically Necessary (as defined), or any medical procedures and/or tests (including MRI, MRCP, CAT Scan, CT Angiogram, Nuclear Stress Test, Angiogram or Cardiac Catheterization) not authorized by Medipac Assist in advance. A reassessment for **Your** eligibility and rate qualification will be required. Failure to contact Medipac may result in claim denial, or payment of only a portion of the Covered Expenses.

**Individuals Excluded from Coverage**

1. Coverage is not purchased for the entire duration of **Your Trip** (unless otherwise expressly stated in this policy).

2. Coverage is applied for while outside Canada (with the exception of post-departure applications for extension of coverage).

3. Any material misrepresentation is made on the application or in connection with any claim for benefits under this policy.

If **You** are under the age of 56 and travelling for less than 41 days, **Items 5. to 18. do not apply.**

**Misstatement**

If **You** misstate **Your** response to any question in section A of the application, then this policy is null and void.

If **You** misstate **Your** response in any other section of the application and, as a result, paid a lower premium than required, this policy will cover only the proportion of **Covered Expenses** that the premium paid bears to the required premium. You will be responsible for the remaining portion of **Covered Expenses**.

Where the Company has incurred expenses on **Your** behalf, You irrevocably assign **Your** premium and any Government Health Insurance Plan payments to the Company; where the amount of premium is greater than the Company’s expenses, the difference shall be refunded to **You**.

**CHANGE IN DEPARTURE DATE**

For the Single Trip Plan, if there is a change in **Your** **Date of Departure**, notice **MUST** be provided to Medipac from within Canada prior to the Date of Departure shown in **Your** application. 1. No refunds are available if a claim has been incurred.

2. The premium for the Annual Add-on cannot be refunded once coverage begins.

3. Refund requests must be made in writing from within Canada and can be either mailed or e-mailed. All refund requests must be signed and dated by each individual applicant.
