Please read the policy carefully.
Certain conditions and limitations apply.

The following 11 pages contain
the actual policy text.

Underwritten by
Old Republic Insurance Company of Canada

Please read this policy carefully for an understanding of the coverage provided. This policy is underwritten by Old Republic Insurance Company of Canada, which has appointed Medipac International Inc. (Medipac) to perform certain administrative services, including enrolment and customer service, and Medipac Assistance International Inc. (Medipac Assist) to perform all assistance and claims services. The *Company* will pay benefits specified subject to the exclusions, limitations, definitions and other provisions of this policy. For an understanding of the exclusions, please refer to "WHAT IS NOT COVERED" and "GENERAL LIMITATIONS". The section titled "THE DEFINITIONS" provides an explanation of the words and phrases shown in italics.

This coverage is available to Canadian residents only and must be purchased prior to the Date of Departure and from within Canada. *You* must be covered under the Government Health Insurance Plan of the Canadian province or territory in which *You* reside. Family coverage is available to *You* (if under age 56), *Your Spouse* and *Your Children*. All family members must be named on *Your Policy*. *Children* must be accompanied by either *You* or *Your Spouse*. A *Spouse* over age 55 is not covered by a family policy.

This policy covers *Reasonable Charges* incurred by *You* outside *Your* province or territory of principal residence; that result from a *Medical Emergency* occurring during the period of coverage (as explained below); and that *You* incur for *Medically Necessary Medical Treatment*.

This policy contains a provision removing or restricting the right of the insured to designate persons to whom or for whose benefit insurance money is to be payable.

This insurance policy is in force only if Medipac has received *Your* completed application and premium; and a policy has been issued.

PERIOD OF COVERAGE

For the **Single Trip Plan**, *Your* insurance begins at 12:01 a.m. on *Your Effective Date of Insurance* as set out in *Your* application for insurance and cannot begin earlier unless *You* notify Medipac in advance. *Your* insurance ends on the earlier of: (a) 11:59 p.m. on the scheduled return date set out in *Your* application for insurance; (b) the date *You* return to Canada for any medical reason. Once treatment ends *You* may apply to Medipac Assist to have *Your* policy reinstated. To be valid, a policy endorsement is required.

If, during the **Single Trip Plan**, *You* return to *Your* province or territory of residence for any other reason and resume travel, this insurance does not provide benefits for any *Medical Emergency* concerning, relating to, caused by or arising from any medical or physical condition for which *You* received *Medical Attention* while in *Your* province or territory of residence. The number of days *You* return to *Your* province or territory of residence cannot be refunded.

If *You* have purchased the **Annual Add-on** to the **Single Trip Plan**, then for every **other Trip**:

1. Outside Canada, *Your* insurance coverage begins at 12:01 a.m. on each day *You* leave Canada during the 365-day period beginning on *Your Effective Date of Insurance*. *Your* coverage ends on the earlier of: (a) 364 days after *Your Effective Date of Insurance*; (b) the date *You* return to Canada; (c) 12:01 a.m. 23 days after the date *You* leave Canada (if *You* purchased the 23-day Annual Add-on); or (d) 12:01 a.m. 33 days after the date *You* leave Canada (if *You* purchased the 33-day Annual Add-on).

2. Within Canada, *Your* insurance coverage begins at 12:01 a.m. on each day *You* leave *Your* Canadian province or territory of principal residence during the 365-day period beginning on *Your Effective Date of Insurance*. *Your* coverage ends on the earlier of: (a) 364 days after *Your Effective Date of Insurance*; (b) the date *You* return to *Your* Canadian province or territory of principal residence; or (c) 12:01 a.m. 182 days after the date *You* leave *Your* Canadian province or territory of principal residence.

The period of coverage is subject to the automatic extension provision explained in "WHAT HAPPENS TO MY INSURANCE COVERAGE IF I AM HOSPITALIZED AND CANNOT RETURN ON MY SCHEDULED RETURN DATE?"

The insurance coverage must be purchased for the entire duration of *Your Trip*, unless otherwise expressly stated in this policy.

If *You* have purchased the Annual Add-on to the Single Trip Plan, *You* can extend any single Trip during *Your* policy's 365-day period. When extending *Your* Annual Add-on, the same coverage type and deductible option MUST apply. *Your* Annual Add-on cannot be used in combination with *Your* Single Trip Plan.

All medical procedures and/or tests (including MRI, MRCP, CAT Scan, CT Angiogram, Nuclear Stress Test, Angiogram or Cardiac Catheterization or **ANY** surgery) **MUST** be authorized by Medipac Assist in advance. Reimbursement is subject to the terms and conditions of this policy.

THE DEFINITIONS

The following words have specific meanings:

“Children” means unmarried dependent sons or daughters, or grandchildren, who are under the age of 19 and full-time students; or dependant sons, daughters or grandchildren of any age who are mentally or physically disabled. All Children must have been born at

least 3 months prior to Your Effective Date of Insurance or Your Trip Start Date.

“Company” means Old Republic Insurance Company of Canada.

“Covered Expense” means Reasonable Charges in excess of the Government Health Insurance Plan of the Canadian province or territory in which You reside or any private or provincial or territorial Auto Insurance Plan for supplies, treatment or services listed in The Benefits section subject to policy limitations.

“Deductible Amount” means the amount of Covered Expenses that You will be responsible for paying. Covered Expenses are first paid by Your Government Health Insurance Plan; then Your Deductible Amount applies before any remaining Covered Expenses are paid under this policy. The Deductible Amount, if any, applicable to this policy is shown in U.S. dollars on the Policy Validation Label affixed to this policy and applies to each Trip.

“Effective Date of Insurance” means for the Single Trip Plan, the later of 1) the Date of Departure shown on Your application for insurance or 2) the date You leave Your province or territory of residence. If purchasing the Single Trip Plan to top up another medical travel insurance policy, it means the Effective Date of Insurance indicated on Your application for insurance. For the Annual Add-on (if purchased) it means the date You choose Your insurance coverage to take effect as indicated on Your application for insurance.

“Hospital” means an institution which is licensed as a Hospital and which:

- (a) is primarily engaged in providing medical, diagnostic and surgical services for the care and treatment of sick or injured persons on an in-patient basis; and
- (b) provides medical care under the supervision of a staff of Physicians, with 24-hour-a-day care by registered nurses; and
- (c) is not otherwise licensed as a home for the aged, a rest home, health spa, nursing home, convalescent hospital, hospice, palliative care facility, a place for the care and treatment of drug addicts or alcoholics, custodial or educational facility, or any rehabilitation facility.

“Hospitalized” and **“Hospitalization”** means confinement in a Hospital as defined above.

“Injury” means any accidental bodily harm that occurs and results in Covered Expenses while this policy is in force. Such Injury must be caused solely by external, violent and accidental means, and independent of Sickness and of any other cause.

“Insured” means a person who is named on the application for insurance and in whose name the required premium has been paid.

“Medical Attention”: see Policy Page 6 for details.

“Medical Emergency” means a Sickness or Injury which:

- (a) results in symptoms which occur suddenly and unexpectedly; and
- (b) requires immediate Physician’s care to prevent death or serious impairment of Your health and/or to relieve acute pain and suffering; and
- (c) occurs outside Your Canadian province or territory of principal residence.

“Medical Treatment” means any reasonable medical, therapeutic or diagnostic measure, service or supply that is Medically Necessary and that is prescribed by a Physician in any form, including prescribed medication, reasonable investigative testing, Hospitalization, surgery or other prescribed or recommended treatment directly referable to the condition, symptom or problem. Medical Treatment does not include either: (a) the use of prescribed drugs or medication for a controlled condition, symptom or problem when the dosage, drug or medication remains unchanged; or (b) a check-up where the Physician observes no change in a previously noted condition, symptom or problem.

“Medically Necessary” in relation to any service, supply or other matter means one which is ordered by a Physician and one which the Company determines is:

- (a) provided for the diagnosis or direct treatment of an Injury or Sickness;
- (b) appropriate and consistent with the symptoms and findings or diagnosis and treatment of the Insured’s Injury or Sickness;
- (c) not experimental or investigative;
- (d) provided in accordance with generally accepted medical practice;

(e) not possible to delay until You return to Canada; and

(f) the most appropriate supply or level of service which can be provided on a cost-effective basis (including, but not limited to, in-patient vs. outpatient care, electric vs. manual wheelchair, surgical vs. medical or other types of care).

The fact that the Insured’s attending Physician prescribes the services or supplies does not automatically mean such services or supplies are Medically Necessary and covered by this policy.

“Physician” means a medical practitioner (other than the Insured, a Spouse or relative) who was at the time of treatment currently licensed to prescribe and administer Medical Treatment within the scope of a medical doctor’s licence, or a surgeon who performs surgery within the scope of a surgeon’s licence and whose legal and professional standing within their jurisdiction is equivalent to a doctor of medicine (M.D.) duly licensed to practise in any province or territory of Canada.

“Pre-Existing Condition”: see Policy Page 5 for details.

“Reasonable Charges” means charges which are made for care, services or supplies at a level usually furnished for cases that are of the nature and severity of the case being treated.

“Routine Check-up” means any medical examination which is performed for the purpose of general health monitoring, which may include routine medical tests and which is unrelated to any specific symptom, illness, condition or disease.

“Sickness” means an illness or disease which results in a Covered Expense while this coverage is in force. The Sickness must be serious enough for a reasonable person to seek personal Medical Treatment from a Physician.

“Spouse” means a person with whom the Insured is cohabiting and who either:

- (a) is legally married to the Insured; or
- (b) has lived with the Insured, in a conjugal relationship, for a period of twelve (12) consecutive months immediately prior to the commencement of insurance coverage under this policy and who has been publicly represented as the Insured’s Spouse in the community in which they reside.

“Stable and Controlled”: see Policy Page 6 for details.

“Trip” means the defined period of travel between the time *You* leave home and the date *You* are scheduled to return home.

“Trip Start Date” means the Date of Departure each time *You* leave *Your* province or territory of principal residence during the period of coverage if *You* have purchased the Annual Add-on.

“You” and **“Your”** mean the same as *Insured* defined above.

PRE-EXISTING CONDITIONS

This insurance does not provide benefits for **any** *Medical Emergency* concerning, relating to, caused by or arising from any of the following:

1. *Any Pre-Existing Condition* that has not been *Stable and Controlled* in the 90 days immediately prior to the *Effective Date of Insurance* or *Your Trip Start Date*. This includes any reaction that results from a change in medication prescribed for such a condition.

A change in medication does not apply to cholesterol lowering medication or to a change in any other medication from a brand name medication to a generic brand medication (insofar as the dosage is not modified). If *You* are taking Coumadin (warfarin) or insulin and are required to have *Your* blood levels tested on a regular basis and *You* are required to adjust the dosage of *Your* medication only to ensure correct blood levels are maintained, such a change is not considered to be a change in medication, provided *Your* medical condition remains unchanged.

Misstatement

If You misstate Your response to any question in section A of the application, then this policy is null and void. Where the *Company* has incurred expenses on Your behalf, You irrevocably assign Your premium to the *Company*, where the amount of premium is greater than the *Company's* expenses, the difference shall be refunded to You.

CHANGE IN DEPARTURE DATE

For the Single *Trip* Plan, if there is a change in Your Date of Departure, notice **MUST** be provided to Medipac from within Canada prior to the Date of Departure shown in Your application. If You have purchased the Annual Add-on, You are not required to provide advance notice of Your *Trip Start Date* for every other *Trip*. **However, evidence of these dates will be required at the time of claim.**

IS THERE ANYTHING ELSE I NEED TO KNOW?

Yes, the following are the general conditions that apply to Your insurance under this policy:

- A. This policy will reimburse You for *Covered Expenses* up to a maximum of \$2,000,000 USD per *Insured*.
- B. The *Company* and its agents are not responsible for the availability, quality or results of any *Medical Treatment* or transportation, or the failure of the *Insured* to obtain *Medical Treatment* or proper *Hospitalization*.
- C. The *Company* reserves the right to return You to Canada or to transfer You to one of our preferred health care providers. **Refusal to comply with the transfer or the return to Canada renders this policy null and void;** i.e., Your insurance coverage under this policy ends. The *Company* has the right and You shall afford the *Company* the opportunity to have You medically examined by an independent medical professional.

D. There is no insurance coverage if the premium is not received by Medipac due to an N.S.F. cheque or invalid credit card charge.

E. Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the Insurance Act, or other applicable legislation.

F. In no event will a claim be accepted after one year from the date of occurrence.

G. Any fraud, attempted fraud, misrepresentation or non-disclosure of any material fact relating to this insurance or to a claim under this policy renders this policy null and void. If You have misstated Your age, and such misstatement results in Your paying premium which is less than the required premium, this policy will cover only the proportion of *Covered Expenses* that the premium paid bears to the required premium.

H. Where the *Company* has incurred expenses on Your behalf for a loss caused by, or that can be attributed to a third party, the *Company* has the right to subrogate any incurred expenses against the third party and/or any other person or entity that may be obligated to indemnify the third party (and/or You) or that may be deemed responsible for the loss (“Responsible Party”). The *Company*, at its own expense, has the right to initiate or continue legal proceedings (“Legal Claim”), in Your name, against the Responsible Party. You must take all reasonable steps to assist the *Company* in advancing the Legal Claim. Where You initiate a Legal Claim, or seek compensation for Your loss, the *Company's* rights of subrogation must be sufficiently addressed, and the *Company* kept informed of any negotiations. The *Company* has the right to review, approve and/or reject any offer of compensation or settlement. Any funds received by You or Your representatives, in compensation or settlement for Your loss, must first be applied to any expenses incurred by the *Company*, and the *Company* reimbursed accordingly.

I. When the *Company* has made *Hospital* or other medical payments on Your behalf, You must sign an Authorization Form which authorizes and allows the *Company* to recover such payments from Your other insurers and other health plans (including Your Government Health Insurance Plan). You must assist the *Company* in obtaining such reimbursement. If an

advance has been made for any expense that is not covered by this insurance policy, You will be required to reimburse the *Company*.

J. All benefit amounts under this policy are in United States currency unless stated otherwise. If You have paid a *Covered Expense* in a currency other than that of United States or Canada, any reimbursements made will be in Canadian currency at the prevailing rate of exchange on the date the service was provided. No sum payable under this policy shall bear interest.

K. This insurance is supplementary health coverage; i.e., this policy covers expenses in excess of those covered under Your Government Health Insurance Plan, any Private or Provincial or Territorial Auto Insurance Plan or any other insurance. If You have similar out-of-country/province extended health benefits with a lifetime maximum coverage of: (a) \$100,000 CAD or less, the *Company* will not co-ordinate payment with such coverage; or (b) over \$100,000 CAD, the *Company* will co-ordinate payment with such coverage in excess of \$100,000 CAD.

L. For purposes of determining eligibility under the section “Individuals Excluded From Coverage” in the General Limitations of this policy or for determining the validity of a claim, **hospital records, pharmaceutical records and the medical records of Your attending Physician(s) (including Your regular Canadian Physician(s)), will be obtained and reviewed by the Company.** Your claim cannot be processed and no benefits will be payable under this policy without the required information.

The *Company* has the right, and You shall afford the *Company* the opportunity, to have You medically examined, when and as often as may reasonably be required while benefits are being claimed or paid under this policy. In the event of death, the *Company* has the right to request an autopsy if not prohibited by law.

M. Despite any other provision contained in the contract, **the contract is subject to the applicable statutory conditions in the Insurance Act**, as applicable in Your province or territory of residence, respecting contracts of accident and sickness insurance.

N. The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

WHAT HAPPENS TO MY INSURANCE COVERAGE IF I AM HOSPITALIZED AND CANNOT RETURN ON MY SCHEDULED RETURN DATE?

This policy provides automatic extension of coverage at no additional cost to *You* in each of the following situations:

1. If *You* are in *Hospital* due to *Injury* or *Sickness* on *Your* scheduled return date, insurance coverage will remain in force for the period of time *You* remain in *Hospital*, plus a further period of 72 hours following *Your* discharge from *Hospital*.
2. If *Your* return is delayed beyond *Your* scheduled return date due to the delay of a common carrier in which *You* are scheduled to travel; or, while travelling by automobile, *You* are involved in an accident or a mechanical breakdown, insurance coverage will be extended until *You* return to *Your* point of departure or for 72 hours after the date when the insurance coverage would otherwise have terminated, whichever occurs first.

However, in any event, insurance coverage will not be extended more than twelve (12) consecutive months immediately after the date of *Your Medical Emergency* which was the cause of *Your* delay beyond *Your* scheduled return date.

HOW DO I PRESENT MY CLAIM?

When *You* contact Medipac Assist at the time of *Your Medical Emergency*, we will send *You* a Claim Kit containing everything necessary to submit *Your* claim, including instructions and forms (also available on our website at www.medipac.com). **Forms must be returned to our office within 30 days of receipt.** Failure to provide the required documents in a timely manner will reduce any amount payable under this policy.
